

Building Assessment Workshop

with the Archibrarians

Friday, July 21st, 9:30am-4:00pm

at Pioneer Library System

Join the PLAN22 Archibrarians team, Karen F. Watson and Robert Hubsher, for a workshop on the principles and basics of the architectural design process that will discuss:

- Designing a new building
- Renovating your current space
- Planning additions for your library

Karen and Robert offer a variety of services to prepare libraries with essential planning tools to carry out a successful building project. To take full advantage of their knowledge and expertise, visit <http://pls-net.org/Archibrarians> to register.
